18 USE OF CLUB HOUSE AND POOL

- 18.1 The use of the clubhouse and pool is at the person's own risk. The directors, and trustees, are not liable for any injuries arising from the use of the clubhouse and/ or pool.
- 18.2 The use of the clubhouse may be restricted at the discretion of the directors, and trustees.
- 18.3 The rules applicable to the use of the clubhouse and pool are displayed at the clubhouse and must be carefully read prior to use.
- 18.4 The owner is solely responsible for the behaviour of their guests and for ensuring that they observe, and comply, with the rules.

- 19.4 All vehicles other than motor cars, i.e., trailers, caravans, boats, and the like may not be parked on or be visible from any roads, vacant erven, or other common areas. The Association may request the resident to remove any vehicle parked in contravention of this rule from the Estate, or Lodge. The relevant owner shall be responsible for all costs so incurred. Failure to comply may then lead to fines until such time that the vehicle in question is removed.
- 19.5 Notwithstanding the provisions of 19, day guests may park their cars on a temporary basis in the official demarcated parking areas, provided that they do not park in the street and do not cause any disturbance or obstruction to the flow of traffic. Permanent parking in these areas is strictly prohibited.

By way of an example, a person who has five vehicles does not have the right to use more parking than a person who has only two vehicles. In such an instance, the person who has five may use two parking spaces and the person who has two vehicles may use two parking spaces. The purpose of this Clause is to ensure that no person uses all of the available designated parking spaces at the expense of any other resident. Where this happens, the association may request that the excess vehicles be removed from the Estate to be parked at an alternative location outside of the Estate

If the person concerned is a guest, tenant, or other invitee of a member, that member will be liable for payment of such fine. Any fine imposed on a member and/or his tenant, guest or other invitee shall be deemed to be a debt due and payable by the member concerned to the association forthwith on demand.

24 PROTOCOL FOR AMENDING/ADDING FINES:

Because the HOA is the governing body of Westwood Estate and the Constitution states that only they have the right to implement/amend/add fines, all such matters must go through the Directors of the HOA. The standard of conduct applies across the entire estate and therefore no one body corporate can have its own system of rules and fines.

The HOA will amend/add rules as required if they are sensible and reasonable and do not unfairly restrict the freedoms that people have the right to enjoy. At the same time, the right to said freedoms does not mean that the rights of others may be infringed upon and where this happens, the rules and fine system becomes relevant.

Any amendment to the rules and fines on the estate must be done via a Resolution signed by the Chairman of the HOA.

Should a Body Corporate wish to amend or add a fine the request is to be submitted to the estate manager, who will then submit the request to all the trustees of each body corporate for their endorsement. Once such endorsement is received it will be submitted to the HOA for approval which approval will not be unreasonably withheld. It is recommended that the fines be reviewed by the Trustees every six to twelve months with suggestions and / or comments forwarded to the HOA for consideration.

25 GUIDE TO IMPLEMENTATION OF FINES WITHIN WESTWOOD ESTATE

As the Westwood Estate Sales Contract and the Westwood Estate Homeowners Association Constitution state, the Homeowners Association is the governing body of the entire estate and the various bodies corporate within the estate are obliged to conform to the Westwood Estate Homeowners Articles of Association.

This document expressly refers to the conditions imposed as Clause 8.5: Rules, which stipulate, inter alia, that the Homeowners Association Board may, from time to time make rules, applicable within the Estate, specifically about:

- 8.5.1 the conduct of any persons within the Estate and the prevention of nuisance of any nature to any owner of immovable property in the Estate;
- 8.5.1 the imposition of fines and other penalties to be paid by Members of the Association.

It is therefore essential that the Homeowners Association lay down a set Code of Conduct in relation to the imposition of fines within the Estate. These now follow and all Bodies Corporate and the Managing Agents are compelled to comply with these provisions, with no exception, unless approved in writing by the Board of the Homeowners Association.

In the event of a contravention of any of the requirements of the WESTWOOD ESTATE HOMEOWNERS' ASSOCIATION RULES the following action shall be taken against the registered owner of the unit: -

1. A formal complaint needs to be noted at the time of the transgression in the Incident Book / Occurrence book held at the Gatehouse by Security who will submit a copy of such incident to the Estate Manager, or a formal complaint submitted on the approved complaint form and placed in the Estate Manager's collection box at the Gatehouse.
2. Where a warning is applicable, the Estate Manager on behalf of the Directors/Trustees/Managing Agents will issue a first warning notice to the registered owner by hand, email or registered post giving full details of the alleged contravention in clear and unambiguous terms.
3. In the case of a further breach of the rules within a 90-day period, or, in the case of a blatant disregard of the rules which, in the opinion of the Trustees and /or Directors of the Homeowners Association, is a serious contravention, a Final Warning notice shall be delivered or sent to the registered owner by hand, email or registered post giving full details of the alleged contravention in clear and unambiguous terms. In addition, the owner shall be advised that a fine has been imposed and debited to his levy account.

4. The owner or his agent shall have the right to repudiate such fine by means of an Objection form which must clearly state valid reasons for the repudiation and be submitted to the Estate Manager/Trustees/Managing Agents within 14 days of such fine being issued.
5. The Trustees of the particular body corporate in which the owner has an apartment shall then decide if the owner is guilty of the contravention or not. If found guilty, the Trustees will uphold, amend or waive the fine if circumstances warrant such consideration. The owner shall be informed of their decision, and reasons therefore, as well as the final amount of the fine.
Should the owner want to dispute the trustees decision he or she can approach the CSOS in terms of section 39 of the CSOS Act.
6. The Board of the Homeowners Association shall review the scale of the fines to be imposed on an ad hoc basis. The maximin penalty payable by the owner may not exceed the collective monthly levy which comprises the Homeowners levy plus the Bodies Corporate levy.
7. An owner will be liable for all legal costs, and any other expenses, incurred by the Board of the Homeowners Association or Body Corporate in enforcing the Rules of the Estate.
8. The Estate Manager shall furnish at each month end a list of all warnings given and fines issued for that month to both the Managing Agents and Trustees.
9. The Managing Agents shall provide at each month end a list of all fines not paid for that month to the Trustees of the Bodies Corporate
10. The Managing Agents shall allocate all monies paid as fines into the relevant Body Corporate, which must appear on all income statements and / or balance sheet as an income stream. All fines issued on the Lodge side of the Estate will accrue to the association.
